

# Mashpee River

- **Headwaters, Mashpee Pond**
- **Ends in Popponesset Bay**
- **Historically significant trout stream, visited by Daniel Webster, site of John Farley's Fishing Club that rented fishing rights and employed native guides.**
- **Herring run with ladder at Rte. 130**
- **Lower portion of river is tidal to above Rte. 28**
- **Significant amount of river tangent lands in conservation with many riparian walking trails and scenic vistas.**
- **Currently suffers from nutrient over-enrichment, but still remains an excellent kayaking/canoeing locale with abundant wildlife and scenic views.**
- **Launching available at Mashpee Neck Rd. ramp**
- **Bordered in many areas by fallow and mostly overgrown bogs**
- **Aquaculture activity in lower estuarine section**

**Herring Run @ Rte 130**

**Mashpee River from Upper Woodlands**
